## MEMORIES

monday

#ilkleymanorhouseathome

Across all the Manor House social media platforms share your memories of the Manor House.

If you are interested in taking part in this special archive project, which will hopefully bring all the memories together in an exhibition to be held in the Manor House in 2021, we would like to hear from you - [admin@ilkleymanorhouse.org](mailto:admin@ilkleymanorhouse.org)

## MUSIC

tuesday

#ilkleymanorhouseathome

Across all the Manor House social media platforms we will be sharing performers and artists who have either performed at the house or will be joining us later in the year.

We'll also be featuring a session from our charity partners LS29 and Made with Music with whom we will be hosting a number of 'relaxed' performances later in 2020/2021.

## WORDS

wednesday

#ilkleymanorhouseathome

During the need to stay at home our Poetry Corner in the Manor House is closed but you can enjoy poems and the written word with our regular 'Words' posts. Each Wednesday we aim to publish poetry and videos of poetry readings from poets and people who love poetry.

## THROWBACK

thursday

#ilkleymanorhouseathome

Across all the Manor House social media platforms we will be sharing activities, resources and facts and figures about the history and heritage of the Manor House. If you have children and young people at home we hope our resources will be help with your home-schooling.

Join us on Facebook every Friday at 4pm for Story Time at the Manor House.

Recorded at the Manor House prior the government advice to stay at home, listen with your family to traditional fairy stories including the Little Red Hen, Goldilocks and the 3 Bears and the Billy Goats Gruff.

Each Saturday across our social media platforms you'll find fun, creative challenges that the whole family can get involved with. Why not share the challenges with your friends and family 'virtually' and get everyone involved!

An opportunity to learn more about the artists and exhibitions at the Manor House, as well as further afield, on our social media platforms.

We will be featuring artists whose work has either been shown at the house, as well as looking to showcase 'online' exhibitions of artists' work who should have been in the house before our closure was announced.
